THE FIRM

A strategic resource integration and procurement firm.

Lanserve Enterprises LLC orchestrates complex supply chains and integrates specialized industrial and professional partners to satisfy rigorous federal specifications. We serve as the bridge between government requirements and industrial capacity, structuring, sourcing, and governing the delivery of everything from professional services to large-scale material procurement, including bulk clay, aggregate, and stone programs supporting USACE civil works.

CORE COMPETENCIES

- Supply chain orchestration and multi-tier vendor integration
- High-stakes logistics planning, scheduling, and delivery assurance
- Large-scale material procurement: clay, aggregate, and bulk commodities
- Subcontractor qualification, diligence, and performance governance
- Strategic sourcing, category management, and cost-risk modeling
- Contract lifecycle management, compliance, and audit documentation
- Acquisition planning, solicitation response, and post-award oversight
- Systems integration and unmanned systems teaming strategy
- Capacity surge management and continuity-of-supply planning

DIFFERENTIATORS

- Woman-owned, federally certified small business (WOSB / EDWOSB)
- Prime-level integration discipline with small-firm operational agility
- Risk mitigation built in: vetted sources, dual supply, verified capacity
- Documentation and audit-readiness embedded in every engagement
- Diversified NAICS footprint spanning services, manufacturing, and materials
